MARGARET RIVER

2020 ROSÉ

Appellation: Margaret River

Closure: Screw cap

Alcohol: 13.0%

Winemaking notes: Our 2020 vintage started two weeks early, this was due to the warm summer season leading up to vintage and these conditions carried on through the ripening stages. Harvest began early February.

The grapes were crushed and held on skins until the ideal colour extraction had been achieved before being lightly pressed. Fermented in stainless steel vessels at a constant cool temperature of 14°C with selected yeast strains that promote the natural berry characteristics. The final blend was given a light fining before being filtered and prepared for bottling.

Cellaring: Drink now !

Appearance: Pale Salmon with warm blush of pink.

Nose: A delicious combination of pink musk sticks, Turkish delight, fairy floss and hints of rose petal and strawberries.

Palate: The palate is soft, with juicy red fruits of strawberries and raspberries with hints of Turkish delight, pink marshmallows and baking spices. A lovely crisp and dry finish.

Food Pairing: Seafood paella or seared salmon fillet with crisp green beans

Allergens: Contains Sulphites. Fined with the aid of fish and skim milk products. Traces may remain.
